Testimonial Tuesday

Show Me Logos and Cara are an amazing team with quick communication! I love that they will build an e-store, and ship the products if that is what I need. I have done 2-3 projects a year with Show Me Logos for the last 5-7 years. I won't go anywhere else!

LIBERTY HOSPITAL FOUNDATION

DISCOVER THE FOUNDATION

HEALTH, EDUCATION, WELLNESS & CARE

The Liberty Hospital Foundation

Patient Assistance

The Patient Assistance Fund is on a mission to improve the health and well-being of Liberty Hospital patients while reducing unnecessary costly hospital re-admissions. The Impact:

What makes this program truly special is its ability to open doors to essential, affordable resources for patients—things like life-saving medications, insurance, transportation, primary care physicians, and home health services. Since its launch in March 2014, the Patient Assistance Fund has made a profound impact, helping nearly 200 patients each year save a staggering \$135,000 a month on prescription costs. By supporting these patients, we're empowering them to take charge of their health and manage their long-term care needs with confidence.

Student Assistance

In 2014, Liberty Hospital took an exciting step forward with the Student Assistance Program, a partnership with Liberty Public Schools designed to ensure that all students, regardless of their insurance status, have access to the care they need. Through the program, Liberty Hospital Foundation provides vouchers for nursing staff across the district to refer under- or uninsured students to Liberty Hospital Urgent Care for acute health concerns.

Over 100 vouchers have been provided, offering students a chance to receive a health assessment at no cost to their families. Follow-up care and ongoing medications are offered at a reduced rate, helping reduce school absences and fostering better health for the children in our community.

Together, these programs are making a tangible difference in the lives of Liberty Hospital patients and students, ensuring that everyone has access to the care they need to thrive.

The Liberty Hospital Foundation

Kyleigh's Gift was founded by Roger and Leann Waller following the tragic passing of their daughter, Kyleigh Elizabeth, in 2012. The Waller family's deep gratitude for the compassionate care and support they received from the doctors, nurses, and staff at the Liberty Hospital Birthing Center inspired them to partner with the Liberty Hospital Foundation in establishing Kyleigh's Gift.

Impact

Kyleigh's Gift has positively impacted thousands of families through its initiatives focused on infant wellness and parental support, including:

- **SleepBacKs:** Provided to every family at the Birthing Center since 2013, promoting safe sleep and reducing the risk of SIDS.
- **Period of Purple Crying Education:** Offered to new parents to reduce stress and decrease rates of abuse.
- **NICU Vouchers:** Provided to breastfeeding mothers to ensure they have access to meals while visiting the NICU.
- **Scholarships for OB Staff:** Offered to support specialized training for Liberty Hospital's OB staff.
- **Annual Diaper Drive:** Providing diapers to local families in need.
- **Pack 'n Play and Car Seat Supplies:** Donated to families unable to afford infant necessities or equipment for special needs children.
- **Miscellaneous Care Packages:** Distributed in the ED and surgery center to provide support for women experiencing pregnancy loss.
- **Memory Boxes:** Given to families facing infant loss, containing hand-drawn ceramic angels, specialized books, and other mementos and resources.
- **CaringCradle Device:** Available for families to spend more time with their infant in the hospital after a loss.

The Liberty Hospital Foundation

What We Do

LIBERTY HOSPITAL FOUNDATION

We support patients, individuals, families, and employees in the Liberty Hospital community by creating, funding, and promoting programs that improve health, education, wellness, and care.

At The Liberty Hospital Foundation, our team is dedicated to upholding the Mission, Vision, and Pillars of Charity to enhance the health, education, wellness, and care of our patients, their families, and our staff. These core values drive everything we do, ensuring that we promise well-being and strive for excellence in all aspects of healthcare.

We are a dynamic group of philanthropists, healthcare professionals, and community leaders united by a passion for making a meaningful impact. Our diverse expertise allows us to tackle challenges with creativity, compassion, and innovation to provide top-tier care and support. We value engaged donor stewardship, building strong, transparent relationships with our generous supporters to ensure their contributions directly benefit those in need.

Above all, we are passionate about healthcare, committed to providing the highest quality of care and support at every stage of the healthcare journey, and continuously improving the lives of those we serve.

About Us

After 30+ years working in firms in downtown Kansas City, Dean decided to follow in his father's footsteps & open his own practice in 2013 with a goal of providing high quality accounting, audit & consulting services to community businesses & banks.

Today, The Fullinwider Firm, LLC consists of approximately 10 employees ranging from entry level to expert on a variety of tax, audit & consulting topics. In 2020, Dean's daughter, Jessie Fullinwider, joined the firm as coordinator of social media, marketing, HR & office management.

As we continue to grow, we are focused on collaboration with clinics that are interested in learning, growing & thriving with our family-owned firm.

Pricing

The Fullinwider Firm, LLC billing policy is based on the hours expended multiplied by the billing rates of our diverse team. Team billing rates are based on the level of experience & credentials of each individual staff member. We believe this is a fair billing policy as our clients only pay for the work performed & we are compensated for the work we perform. This creates a "win-win" arrangement as opposed to a fixed fee arrangement where one party pays or works more than the fee/compensation, resulting in a "win-lose" or a "lose-win".
